

RESOLUTION NO. 2002-49

A RESOLUTION of the City Council of Bainbridge Island, Washington Establishing the 2003 Non-motorized Transportation Advisory Committee and setting criteria to be considered during the selection process.

**WHEREAS**, the City of Bainbridge Island has adopted a Non-motorized Transportation Plan (Ordinance 2002-09) as part of the Transportation Element of the Comprehensive Plan; and

**WHEREAS**, the Non-motorized Transportation Plan calls for the establishment of a Citizen Advisory Board, Appointed by the Mayor, to advocate for and ensure implementation of the Plan; and

**WHEREAS**, the Non-motorized Transportation Advisory Committee shall consist of a minimum of five and no more than seven community members; and

**WHEREAS**, their duties shall include, but not be limited to, advocacy, education, encouragement, review and general guidance and recommendations to the City Council and Planning Commission

BE IT RESOLVED:

Section 1. That the Non-motorized Transportation Advisory Committee shall be appointed, no later than February 15, 2003 and shall be comprised of individuals with knowledge, expertise and interest in promoting non-motorized transportation. One specific representative from both the City Planning and Public Works Departments, with non-motorized transportation knowledge and expertise, will be assigned the responsibility of supporting and participating in the committee in order to facilitate communications and increase it's effectiveness.

Section 2. The Non-motorized Transportation Advisory Committee shall meet a minimum of six times per year to conduct advisory duties including: 1) advocacy for non-motorized facilities funding in the City budget, 2) advocacy for non-motorized facilities in public and private development projects, 3) develop, support and sponsor education and other programs that promote and encourage non-motorized transportation, 4) identify potential outside funding sources such as grants, 5) review grants applications, 6) develop and distribute a non-motorized system map, 7) facilitate public input on facility design and other duties as assigned by the City Council or Public Works Director; and

Section 3. The Non-motorized Transportation Advisory Committee shall determine priority projects based on a number of criteria including: 1) community identified priorities in the plan (Table 5-1), 2) projects identified in the CIP budget, 3) current private development projects or other grant funded projects, that can be incorporated into existing repair and maintenance work.

Section 4. The Non-motorized Transportation Advisory Committee will present recommendations to the Public Works Director (or their appointed representative) and the City Council Finance Committee for the inclusion of non-motorized transportation projects and funding and seek cooperation with other community groups.

**PASSED** by the City Council this 11<sup>th</sup> day of December 2002.

**APPROVED** by the Mayor this 12<sup>th</sup> day of December 2002.
