BAINBRIDGE ISLAND SHORELINE ACCESS GUIDEBOOK

Comment Sheet

Bainbridge Island is defined by the shoreline that surrounds us. This guidebook has been produced to provide guidance to the residents of Bainbridge Island regarding shoreline access around our beautiful Island. We have tried to include only those sites that have been confirmed to be publicly accessible and currently have adequate access. In developing this guidebook, each site was visited and inventoried. If you have comments or questions regarding the sites and information featured in this guidebook, please fill out this form and return it to the address below.
