To: Peter Namtvedt Best
Subject: Kitsap PUD - B.I. Capital Improvements

Peter:

Kitsap PUD owns two public water systems on Bainbrige Island. The Harborcrest water system has 21 connections. The North Bainbridge Water System has 1,722 connections.

Kitsap Public Utility District has the following Capital Improvements scheduled:

Harborcrest Water System:

- Rebuild pumphouse (summer 2008) - \$25,000
- Drill new source well (2009 or 2010) - \$75,000

North Bainbridge Water System

- Install pressure reducing valve at Point Monroe (2009) - \$50,000
