CITY OF BAINBRIDGE ISLAND, WASHINGTON

ORDINANCE NO. 2007-12

AN ORDINANCE of the City of Bainbridge Island, Washington, relating to Local Improvement District No. 20 (South Island Sewer LID); modifying, amending and approving the final assessment roll in the South Island Sewer LID, created by Ordinance No. 2003-38; levying, confirming, and assessing a part of the cost and expense of the local improvement district against the several lots, tracts, parcels of land and other property as shown on the assessment roll as revised; reducing assessments and amending Ordinance No. 2007-07.

THE CITY COUNCIL OF THE CITY OF BAINBRIDGE ISLAND, WASHINGTON,
DOES ORDAIN, as follows:

Section 1. Recitals. The City Council makes the following recitals:

1.1 Local Improvement District No. 20, sometimes known as the South Island Sewer LID (“LID No. 20” or the “LID”) in the City of Bainbridge Island, Washington (the “City”), was created by Ordinance No. 2003-38, for the purpose of improving four neighborhoods and an elementary school site within the City by the construction and connection of sanity sewer facilities (the “Project” or the “Improvements”). The final assessment roll proposing the special assessments to be levied against the property located in the LID was filed with the City Clerk as provided by law.

1.2 On October 26, 2006, the City’s designated Hearing Officer issued his Findings of Fact, Conclusions of Law and Recommendation to the City Council (“Recommendation”). A complete record of proceedings before the Hearing Officer, including the Recommendation, is on file with the City Clerk.

1.3 At a public meeting of the City Council on January 10, 2007, any Appeals from the Recommendation were considered by the Council.

1.4 On February 14, 2007, the City modified and approved by Ordinance 2007-07 the Hearing Officer's Recommendation. The Recommendation, as modified, was accepted and incorporated by reference in Ordinance 2007-07.

1.5 Under the authority of Section 6.1 of Ordinance No. 2007-07, the City Finance Director deferred filing of the assessment roll pending consideration of reductions of assessments as contemplated by Resolution No. 2006-37. The City Council reserved, at its discretion, the right to further modify the Final Assessment Roll as contemplated by Resolution No. 2006-37.

1.6 The City Council now determines to reduce the amount charged against the final assessment roll, and to reduce assessments and to approve a revised Final Assessment Roll for LID No. 20. This Ordinance also recognizes additional assessments against property within LID No. 20 whose owners have voluntarily agreed to further assessments.

Section 2. Confirmation of Assessments and Assessment Roll. Each of the lots, tracts, parcels of land and other property shown upon the Final Assessment Roll, as modified and revised herein, is determined, found and declared by the City Council, sitting and acting as a board of equalization, to be specially benefited by the Project and improvements installed or financed in LID No. 20 in at least the amount charged against the same, and the assessment appearing against the same is in proportion to the several assessments appearing upon the Roll. There is levied, confirmed and assessed against each lot, tract or parcel of land and other property appearing upon the Final Assessment Roll the amount finally charged against the same thereon for a total of \$5,209,228.60. A copy of the Final Assessment Roll as revised and confirmed by this Ordinance is attached and made a part hereof as Exhibit A.

Section 3. Additional Part B Costs Assessed. By notice dated December 18, 2006, property owners in the LID were informed of a new and additional opportunity, at their discretion, to have certain future Part B connection costs added to their respective assessments. A total of 5 owners have further elected this option and entered into Local Improvement District No. 20 Agreements in forms provided by the City and recorded in the Kitsap County Auditor's office. Accordingly, the Part B and total final assessments against such owners' properties identified in Exhibit B, attached to and made a part of this ordinance, should be and are increased as shown on that exhibit, and the Final Assessment Roll at Exhibit A is conformed accordingly.

Section 4. Filing of Roll for Collection. The Final Assessment Roll as thus revised, approved and confirmed by this Ordinance shall be filed with the City Finance Director for collection. The City Finance Director shall mail and publish notice as required by law stating that the roll is in his hands for collection and that payment of any assessment thereon or any portion of such assessment can be made at any time within thirty (30) days from the date of first publication of such notice without penalty, interest or cost. Thereafter the sum remaining unpaid may be paid in twenty (20) equal annual installments of principal. The assessment interest rate is fixed at 1% per annum.

Section 5. Installment Payment of Assessments and Collection. The first annual installment of assessments on the Final Assessment Roll shall become due and payable during the 30-day period succeeding the date one year after the date of first publication by the City Finance Director of notice that the assessment roll is in his hands for collection and annually thereafter each succeeding installment shall become due and payable in like manner. If the whole or any portion of any assessment remains unpaid after the first 30-day period, interest upon the whole unpaid sum shall be charged at the rate as established above, and each year

thereafter one of the installments of principal together with interest due on the unpaid balance, shall be collected. Any installment not paid prior to expiration of the annual 30-day period during which such installment is due and payable shall thereupon become delinquent. Each delinquent installment shall be subject, at the time of delinquency, to a charge of 6% penalty levied on both principal and interest due upon that installment, and all delinquent installments also shall be charged interest at the rate as determined above. The collection of such delinquent installments shall be enforced in the manner provided by law.

Section 6. Ratification of Prior Acts. Any actions taken consistent with the purpose and authority but prior to the effective date of this ordinance are ratified, approved, and confirmed.

Section 7. Severability. If any section, sentence, clause or phrase of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this ordinance.

Section 8. Ordinance 2007-07 Amended. The Final Assessment Roll as approved by Ordinance 2007-07, and Exhibit D thereto, are hereby amended. Except as otherwise specifically set forth herein, Ordinance 2007-07 remains in full force and effect. Nothing in this Ordinance grants further rights or opportunity to challenge assessments or other actions in Ordinance 2007-07.

Section 9. Effective Date. This ordinance shall take effect five (5) days after passage and publication as required by law.

PASSED by the City Council of the City of Bainbridge Island, Washington, this 25th day of April, 2007.

APPROVED by the Mayor this 26th day of April, 2007.
