### **Time to Remove Political Signs**

BAINBRIDGE ISLAND, WA, Nov. 3, 2010 – The ballots are in and the signs must come down. With election season at its end, it is time to clean up the roadways. The City's Municipal Code (Chapter 15.08) regulates the placement of signs to protect public safety and preserve the natural character of the community.

Political signs must be removed within seven days following an election. As a citizen, you may assist in this effort by removing any signs on or around your property by Nov. 10, 2010. Signs that remain in the right-of-way – requiring City removal – will have the expense of removing the signs charged to the political candidates.

Please contact the City's Code Enforcement office at (206) 780-3769 to report any political signs remaining in the right-of-way after Nov. 10, 2010.
