

**REQUEST FOR QUALIFICATIONS
City of Bainbridge Island**

Sewer Beach Mains Rehabilitation Study

The City of Bainbridge Island is soliciting detailed statements of qualifications from firms with experience in assistance in evaluating and recommending a rehabilitation Study for it's aging wastewater beach force and gravity piping system.

To view the full RFQ, please see the City's website at www.ci.bainbridge-isl.wa.us/ and click on the bids & awards page.

Submittals must be received no later than 4:00 p.m., November 20, 2009.

Submit Proposal to:

Larry Ward
